Golf Mind Body

Junior golf classes have been designed for all skill levels. Focusing on Mind, Body, and Golf Skills, each class will have a Fitness routine, Emotion exercise and Golf skill focus.

Classes will be held in a group setting and will work in teams or as individuals, small groups will help with 1 on 1 interaction with PGA professional Jason Montoya. All Fitness routines have been designed for young athletes in the sport of golf and created by certified trainer Isaac Leon. We are here to elevate your junior golfer into an athlete.
