

Ladies: Congratulations to all the winners and to everyone who survived the winds today!!! Also, a hearty congratulations to Connie Hansen on a hole-in-one on Cheena 5 today. A very impressive shot in 40 mph winds!!!

Thanks to all for a year that we will all remember like no other! Hopefully, SAWGA has provided a little bit of sunshine and fun when there wasn't much to go around. Thanks to Grace today for collecting scorecards and to everyone who has helped over the season. We hope to see you all in February for our first event of the 2021 season.

Take care and stay safe!
Kathy Morrow
