

June 23rd 24th Saturday Sunday SAGC President Cup

Play will be net at full handicap for Blue, White, & Green Flights. Blue Gross/White Gross only players will play scratch within their flight, but receive full handicap toward the overall President's Cup. Blue Flights must have a course handicap of 16 or less. White Flight will be open to all. Green Flight handicap must be established from the Green Tees. The President's Cup will be inscribed with the name of the player from any Flight who has the lowest over-all net score. Players from the Blue and White tees will have their net scores in each round adjusted for the difference in course ratings from the Green tees for calculation of the final President's Cup winner. The Cup winner will receive a bonus Pro Shop Certificate as well as any Flight winnings.

Tournament Flights and Payouts: We encourage eligible SAGC players to enter the blue gross flight to increase the flight size and the winning payouts. If there are at least 3 blue/white gross participants, there will be a gross only flight with payouts based on flight size. If there are 2 or fewer gross only participants, then those gross players will be moved into the first net flight and there will be no gross payout. The *Committee* will attempt to keep the flight sizes from 8-12 players with handicaps within 5 strokes in each flight but that is not a hard requirement. Approximately one third of each flight should place in the prize money. Ties will be broken using a scorecard playoff starting on hole 18 and then going backward.

Entry Fee: \$50.00 per person
