

July 11th Wednesday SAGC CHAPMAN (Modified Alternate Shot)

This is a two-person team event. Please note there should be no more than a **10-stroke difference between team member's course handicaps**. Teams may play from either the Blue, White or Green tees as they choose. For the green flight both players must have an established forward tee handicap. Both players tee off and then play their partners tee shot for their second shot. The team then picks the better of these second shots and plays out the hole on an alternate shot basis till holed out. On par 3's the same format will be used even if both players are on the green. Only one score will be recorded for each hole. The team handicap will be determined as follows. The lower handicap player will receive 60% of their handicap and the higher handicap will receive 40% of their handicap. These will then be combined for a team handicap.

The Committee recommends that a player play tournaments from the tees they normally play from in daily play which should give them at least 6 scores from those tees that count for their handicap index. In any handicap tournament, a player may play from any teeing ground (blue, white or green); however, if a player does not have at least 6 scores that count from the selected teeing ground, they may still play from the selected tees except that the *Committee* will decide the appropriate handicap stroke deduction from their course handicap. This could be anywhere from a 1-4 stroke reduction depending on the players circumstances and playing history. This reduction will be for the current tournament only and it is not negotiable. A player may always move back from green to white or blue or from white to blue except that for blue tees a 16 handicap or less is required.

Tournament Flights and Payouts: Depending on the number of entries in each tournament, the *Committee* will plan to have flights that play from the blue, white and green teeing grounds in each tournament. The *Committee* will attempt to keep the flight sizes from 8-12 players with handicaps within 5 strokes in each flight but that is not a hard requirement. Approximately one third of each flight should place in the prize money. Ties for gross and net prizes will be broken using a scorecard playoff starting on hole 18 and then going backward.

Entry Fee: \$50 per team Check or money orders only

Entry Deadline: All entries must be received by Saturday July 7th by 5pm

**Tee Times will be emailed to all players as soon as the flights have been established.
The tee times will also be posted at mynewmexicogolf.com or call the proshop.**
