

# November 9<sup>th</sup> Saturday SAGC Turkey Shoot Out 2 Man Net Best Ball

**2 Man Best Ball.** Both players play each hole and record the gross score for each player on the score card. Select the best net score on each hole and record on the team line. Each player will receive 90% of their handicap.

The Committee recommends that a player play tournaments from the tees they normally play from in daily play which should give them at least 6 scores from those tees that count for their handicap index. In any handicap tournament, a player may play from any teeing ground (blue, white or green); however, if a player does not have at least 6 scores that count from the selected teeing ground, they may still play from the selected tees except that the *Committee* will decide the appropriate handicap stroke deduction from their course handicap. This could be anywhere from a 1-4 stroke reduction depending on the players circumstances and playing history. This reduction will be for the current tournament only and it is not negotiable. A player may always move back from green to white or blue or from white to blue except that for blue tees a 16 handicap or less is required.

**Tournament Flights and Payouts:** Depending on the number of entries in each tournament, the *Committee* will plan to have flights that play from the blue, white and green teeing grounds in each tournament. All flights will be net only. The *Committee* will attempt to keep the flight sizes from 8-12 players with handicaps within 5 strokes in each flight but that is not a hard requirement. Approximately one third of each flight should place in the prize money. Ties for gross and net prizes will be broken using a scorecard playoff starting on hole 18 and then going backward.
