December 2017**

Santa Ana Players Club Members.

Hope this finds all of you are all doing well and enjoying some awesome fall golf. We had an excellent tournament year in 2017 and it couldn't have happened without a lot of dedicated Board members who spend countless hours putting together the tournaments, getting timely information to the members and keeping the club running smoothly. Many thanks to Warren, Skip, Mark, Robert and Court!! I would also like to thank Jay Garcia, Derek, Dave and Steve for their tremendous support. Next time you see these gentlemen, thank them and let them know how much you appreciate their efforts.

The Board is working on the 2018 Tournament year, so if you have any suggestions, please let us know.

Here's wishing everyone a very Merry Christmas and a healthy and prosperous New Year. See you on the course.

Long drives and short putts!

February 3rd 2018 Saturday SAGC 2 Man Net Best Ball

2 Man Best Ball. Both players play each hole and record the gross score for each player on the score card. Select the best net score on each hole and record on the team line. Each player will receive 90% of their handicap.

The Committee recommends that a player play tournaments from the tees they normally play from in daily play which should give them at least 6 scores from those tees that count for their handicap index. In any handicap tournament, a player may play from any teeing ground (blue, white or green); however, if a player does not have at least 6 scores that count from the selected teeing ground, they may still play from the selected tees except that the *Committee* will decide the appropriate handicap stroke deduction from their course handicap. This could be anywhere from a 1-4 stroke reduction depending on the players circumstances and playing history. This reduction will be for the current tournament only and it is not negotiable. A player may always move back from green to white or blue or from white to blue except that for blue tees a 16 handicap or less is required.

Tournament Flights and Payouts: Depending on the number of entries in each tournament, the *Committee* will plan to have flights that play from the blue, white gross, white and green teeing grounds in each tournament. The *Committee* will attempt to keep the flight sizes from 8-12 teams with handicaps within 5 strokes in each flight but that is not a hard requirement. Approximately one third of each flight should place in the prize money. Ties for gross and net prizes will be broken using a scorecard playoff starting on hole 18 and then going backward.

Entry Fee: \$50 per team

Entry Deadline: All entries must be received by Jan 31st Wednesday by 5pm

Tee Times will be emailed to all players as soon as they have been established. The tee times will be posted on the web at mynewmexicogolf.com or call the pro shop.
