

Club Championship, September 16th & 17th Saturday Sunday SAGC

Individual Tournament

CLUB CHAMPION will be from the BLUE GROSS ONLY flight

The Committee recommends that a player play tournaments from the tees they normally play from in daily play which should give them at least 6 scores from those tees that count for their handicap index. In any handicap tournament, a player may play from any teeing ground (blue, white or green); however, if a player does not have at least 6 scores that count from the selected teeing ground, they may still play from the selected tees except that the *Committee* will decide the appropriate handicap stroke deduction from their course handicap. This could be anywhere from a 1-4 stroke reduction depending on the players circumstances and playing history. This reduction will be for the current tournament only and it is not negotiable. A player may always move back from green to white or blue or from white to blue except that for blue tees a 16 handicap or less is required.

Tournament Flights and Payouts: Depending on the number of entries in each tournament, the *Committee* will plan to have flights that play from the blue, white and green teeing grounds in each tournament. We encourage eligible SAGC players to enter the blue gross flight to increase the flight size and the winning payouts. If there are at least 3 blue gross participants, there will be a blue gross only flight with payouts based on flight size. If there are 2 or fewer blue gross only participants, then those blue gross players will be moved into the first blue net flight and there will be no gross payout. If you do not want to move from blue gross to blue net, e-mail Mark at mpvit555@centurylink.net immediately to withdraw from the tournament. You will receive a refund of the tournament entry fee. If you delay, you may be charged for the tournament. All White and Green flights will be net only. The *Committee* will attempt to keep the flight sizes from 8-12 players with handicaps within 5 strokes in each flight but that is not a hard requirement. Approximately one third of each flight should place in the prize money. Ties for gross and net prizes will be broken using a scorecard playoff starting on hole 18 and then going backward.

Entry Fee: \$50.00 per person LUNCH will be provided on Sunday

Entry Deadline: All entries must be received by September 13th Wednesday by 5pm

Tee Times will be emailed to all players as soon as the flights have been established. The tee times will be posted on the web at mynewmexicogolf.com or call the pro shop.
