

Twin Warriors Men's Golf Association

The Men's Association will conduct a series of events throughout the year all of which will generate points for individuals. With these points, a team will be determined as well as an overall champion for the year. The overall champion will come from the Teal tees.

Regarding the points for the Teal flights:

All points earned will be from net results regardless of gross or net flight. All Teal players will be combined to determine the points for the event.

Example: Player A in the gross flight shoots 72 to win the gross flight and his handicap is 2. Therefore he shoots a net 70 for the combined results. Player B in the Teal net flight shoots 74 with a handicap of 6. His net score is 68 and is therefore ahead of Player A for the points system.

"Ryder Cup" Team

The team will be determined by order of points earned in events. The top 4 players from the Teal tees as well as the top 4 players from the Silver tees will earn a spot on the team. The team will play in the fall against the Santa Ana Players Club. Points earned from the previous year after the matches will be used as well as all events of the current year leading up to the event.

The event will take place over 2 days and will consist of 18 holes for each day. Day 1 will have morning team matches with Foursomes. Day 2 will consist of singles matches.

The captain for Twin Warriors will be the Teal overall points leader. The captain will determine the 4 Twin teams for Day 1. The home club will determine the pairings for Day 1 and Day 2. Players will only be playing within their flights. The matches for Day 2 will be determined after Day 1 is complete.

Each match will be worth a total of 3 points. One point for the front, one point for the back, and one point for the total. There are 12 points to be had on Day 1. There are 24 points to be had on Day 2. All points totaling to 36. The previous winner only needs 18 points to secure a victory.

If a player declines to play or cannot participate, the next player on the points list will be asked and so on and so forth until a team is made.

Points System

Individual Event		2 Person Team Event		Club Championship		4 Person Team Event	
1 ST	200	1 ST	150	1 ST	250	1 st	100
