

TRACKMAN IS HERE!

At the Twin Warriors Teaching / Fitting Facility

“Tour – Preferred Accuracy”

It combines two radars and one camera for zero doubt.

THAT'S INNOVATION

- * Want to compare your driver to a new driver, change shafts and get clubhead speed, ball speed, spin rate, carry distance and total distance & MUCH MORE per shot PLUS compare averages to averages. **AMAZING!!**
- * Want to see how far each of your Wedges carry to see if you need to fill in any **GAPS?**
- * Want to see trajectory & distance comparing long irons to a hybrid?
- * Want to see graphics on ball launch & dispersion (stability on off center hits for better direction)
